Dear Mr. Smith:

This letter acknowledges receipt of the Approval to Conduct Limited Site Development (ACT/047/017) issued by the Utah Division of Oil, Gas, and Mining for the White River Shale Project. White River Shale Oil Corporation accepts the following stipulation as a condition of approval:

If for any unforeseen reason the Division or Board of Oil, Gas, and Mining does not approve the Phase I Mining Permit or White River Shale Oil Corporation does not proceed with the project, WRSOC will immediately undertake to fully reclaim all areas affected in association with this limited site development.

We certainly appreciate your approving our initial development activities so that our project can remain on schedule and look forward to final approval of our notice of intent to mine shortly.

Sincerely,

*James W. Godlove*
